

## Authorization Letter

**Issuer: Mena Mech Industrial Co. (Sharjah, United Arab Emirates) Date: [ 03/11/2025]**

**To whom it may concern,**

This letter confirms that Argonaut for Mechanical and Electrical Works ("Argonaut") is authorized to act as Authorized Distributor in the Arab Republic of Egypt for the firefighting pump ranges of Volute Company which all firefighting pumps assembled by Mena Mech Industrial Co., detailed below.

### **Brand & Scope of Supply (Manufactured & Assembled by Mena Mech Industrial Co.)**

#### **A) RedShield (brand created and owned by Argonaut; manufactured by Mena Mech Industrial Co.)**

- Product Scope: Firefighting pump sets and related accessories (diesel or electric fire pumps, jockey pumps, controllers, fittings, and accessories).
- Compliance Note: RedShield is a non-UL brand. While certain components within the pump set may carry UL and/or FM approvals, the complete RedShield pump set is not UL Listed. Systems can be engineered with reference to NFPA 20 where required by project specifications.
- Egypt Compliance: For implementation in projects across Egypt, RedShield pump sets require a test certificate issued by the Egyptian Civil Protection Authority. Installation in Egyptian projects is subject to obtaining this test certificate in accordance with local regulations and project requirements.

#### **B) Volute (Assembled by Mena Mech Industrial Co.)**

- Product Scope: UL Listed firefighting pump sets and related accessories (diesel or electric fire pumps, jockey pumps, UL Listed controllers, fittings, and accessories supplied under the Volute brand).
- Standards and Listing: Designed and manufactured in accordance with NFPA 20 and relevant UL listing requirements.
- UL Listing/File Number:
  - [QWZU-EX28721 – End Suction Fire Pumps].
  - [QXJY.EX28722 – Split case Fire Pumps].
  - [QXXW.EX28924 – Vertical Turbine Fire Pumps].

### **Territory and Purpose**

- Territory: Arab Republic of Egypt
- Purpose: This confirmation is issued to support consultant registrations, pre-qualifications, and vendor approvals in Egypt and may be presented to consultants, main contractors, authorities, and end users for verification.

### Use of Trademarks

Argonaut may use the “RedShield” and “Volute” names, trademarks, and marketing materials solely for promoting and selling the products listed above within Egypt and in accordance with each brand’s guidelines.
